JOHNNY DC SAYS: LET THE MAIL BEGIN!

DRAWING BY ADRIEN STOHR, AGE 6

Dear Johnny DC,

I really enjoy BEN 10 stories. I think my favorite story in the last few months was the one about Techno Zombies. I liked how Ben managed to save the town. My favorite scenes were Gwen's early explanation that comics steal ideas from William Shakespeare. I laughed, remembering classes I've taken about Shakespeare. The wardrobe for the plays did contain tights. I would have to do more research to see if the characters in the plays had some sort of capes.

I also thought it was funny when Gray Matter tried to help Grandpa and Gwen. Gray Matter is just too small to help. The change seemed to last only a few minutes. I thought

Upgrade was a far better choice than Gray Matter.

I could tell your plea for letters was honest. I noticed a quiz in the newest issue of CARTOON NETWORK ACTION PACK. I have decided to send more letters to Johnny DC comic books. I would hate to see the letter pages filed with quizzes. It is an honor to have appeared in many Johnny DC letter pages. I like to have fun while responding about new stories. Postage is rather high. Is it possible to send more than one letter in an envelope? Can I put ACTION PACK, JUSTICE LEAGUE UNLIMITED, and SCOOBY-DOO in the same envelope?

I'm making sure that I get new issues of Johnny DC comics. My store owner is putting away copies of CARTOON NETWORK ACTION PACK for me. I also am reading SCOOBY-DOO and JLU. I suppose, to make it less costly, I might do subscriptions. It is enjoyable for me, though, to go into the store and see other comics published by DC. I even noticed THE LEGION OF SUPER-HEROES IN THE 31ST CENTURY. Time goes by so quickly.

I will see if my niece Kayla will write in some letters. She loves when I give her comic books. Kayla might have a little more time to write now, during summer vacation. I wonder how she will like SAMURAI JACK and MEGAS XLR. Kayla is also an artist. I bet she would have fun drawing for the letters pages.

Cool! You've done my job for me, Allen, saying how much I like getting the fans' letters. I always look forward to reading what you have to say about the stories, and I look forward to Kayla's drawings.

I also like to reply. For instance, Shakespeare didn't tell the actors what to wear in his plays. Actors in Shakespeare's plays often dress in tights because that was the clothing style when the plays were written. (By the way, didja know that THE LION KING is partly based on HAMLET?) And, sure, you can put more than one letter in an envelope, but let me tell you that if it gets too thick, the postage jumps up. Talk to your post office about the new rates. —Johnny DC
